The grant requires \$33,000 to be paid out up front and 80% of the cost will be reimbursed. Mr. Lyons is requesting this purchase be made out of the General Fund because the Solid Waste Fund does not have enough cash to pay out \$33,000 and wait for reimbursement.

Motion was made by Charlie Bayless with a second from Steve Chambers to pay \$33,000 for the upfront cost of the reimbursable grant for the Recycle Center from the General Fund. A voice roll call was as follows:

Tom Bowers	Aye	Scott Sams	Absent
Nancy Brown	Aye	Harry Sisk	Aye

Seven ayes, one absent. Motion carried.

- **Discussion of cuts of Travel and Other Charges:** Sheriff Mathes stated the cut to his travel budget will cause his department to lose some instruction certificates. Sheriff Mathes said his department gets much of its training through train the trainer programs. He also stated many of the training courses needed in his office are programs on safety that cannot be given through teleconference or webinar. Mayor Humphrey said he agrees with the committee's recommendation for cuts. However, he does not agree with picking out certain line items. Mayor Humphrey stated he has made the amount of cuts requested by allocating the cuts within his budget as he saw most appropriate. Trustee Randal Lewis stated his travel was reduced by \$900. Mr. Lewis said his office utilizes their travel line item to attend trainings on their software and tax relief.

Finance Director Ingrid Deloach said she has discussed the cuts with most offices. She has found that many offices use their travel line item to attend needed and often mandatory trainings. Mrs. Deloach said most of the Jury's supplies come out of other charges. Chancery Court has to have training to maintain certification. Mrs. Deloach stated the Assessor's Office pays for a state mandated audit service from their other charges line item. She also said EMA is required to attend training to get the State EMA funds. Mrs. Deloach said EMA makes most of their purchases for the EOC from other charges. Last fiscal year EMA moved

funds from health insurance to other charges to have sufficient funds for the EOC. Mrs. Deloach said the majority of Office Holder's have agreed to cut the requested amount and budget as needed. She also noted that it would be very difficult for the Sheriff's Department to absorb the increase in workman's comp and liability insurance with no increase in funding.

Mrs. Deloach stated she needs clarification as to if all the cuts previously voted on will be made in addition to keeping funding the same as the 2012-2013 year and the cuts made to travel and other charges. Lawrence Hodge asked if it would be easier to make a 2% across the board cut. Tom Bowers ask how much of a percentage cut was made by reducing travel by half and eliminating other charges. Finance Director Ingrid Deloach said those cuts were approximately a 1% reduction. She added some offices took a much larger cut than others. Sheriff Mathes stated he will have a \$62,000 increase in jail medical over last year due to the new contract.

- **Public Comments:** L.C. Tester spoke about the difference in pay for employees of the City and the County. Mr. Tester feels employees should not be asked to pay more in health insurance with pay being so low.

- **Employee Health Insurance:** Finance Director Ingrid Deloach stated the County's health insurance broker, Connie Tate, began getting quotes for health insurance due to the lack of agreement between Blue Cross and Mountain States Health Alliance. Ms. Tate informed Mrs. Deloach that it would be possible for Carter County to get out of the contract with Blue Cross on July 1 and move to another provider. On Friday, June 7, 2013 Blue Cross and Mountain States reached a four year agreement. Ms. Tate asked Mrs. Deloach if she should proceed with getting health insurance quotes. She stated to proceed on to see if there will be a savings. Mrs. Deloach stated Humana has offered insurance. Mrs. Deloach stated she is more comfortable with Blue Cross as employees have been pleased with it. Mrs. Deloach was informed this afternoon that Blue Cross has agreed to lower premiums charged to Carter County effective July 1, 2013. She stated she does not have a quote or anything in writing. Mrs. Deloach said once she has detailed information she will present on Monday June 17th at Full Commission. She also said a July 1 renewal date would be beneficial for budgeting.

Motion to adjourn was made by Steve Chambers with a second from Tom Bowers. Motion carried.
