Old Business

Cracking and missing pavement 186 McKinney Lane

Zane Church Flooding 1331 Rittertown Road at Browns' Branch

Old Stoney Creek Road-trees need pruning-county right of way

George Williams-proposed curve work on Sinking Creek Road

Connie Williams-Clarktown area-road work needed- no Law enforcement complaint-photo's were presented to the committee-this is the second visit by Mr. Williams-the previous visit also showed litter problems

Doris Jarrett-284 Burbank Road-the rain event associated with Hurricane Michael washed out portions of roadway, drainage tiles, etc. (second rain event within a few days)

PUBLIC COMMENTS

Karl Broman of Johnson County presented his views on how TDOT could improve the safety on U.S 321/67-The committee voted to have our Attorney Hardin draft a letter to TDOT-letter attached

NEW BUSINESS

Safety Issue (Line of sight-School bus stop --children pickup/egress)-Old Lewis Road-Pinecrest area-

Speed limit request for speed limit reduction on Old Lacy Hollow Road-present speed limit 35mph-No petition has been developed and returned to the chairman-

Commissioner Brown pointed out the fact that many of the drainage and flooding problem are caused by downed trees and driftwood in the streams-This item was brought before the Full Commission several months ago-there is no established stream cleaning program-

COMMISSIONER COMMENTS-

Commissioner Culler indicated some people had asked why the reading of the bridge dedication proclamation at Roan Mountain was read by the former mayor. The Carter County Commission at the September 2017 meeting voted to approve the proclamation; therefore the program had already been developed.

With no other business the meeting was adjourned-The next meeting will be Thursday December 6, 2018
