Members Absent: Margaret Houghland, Lynn Brown, Ronnie Trivett

Meeting called to order at 5:00 P.M. By Chairman, Edrie Bristol. Mrs. Bristol **noted that a quorum was not present and no action could be taken, therefore meeting could not be held.** Chairman Bristol noted that the next regular meeting was scheduled for 2nd Thursday in January 2012 unless a need for a Special Called Meeting became necessary and notice would be given of such.

County Attorney, Keith Bowers, Jr. was also present for this meeting as requested from the committee.

Many attorneys along with several citizens were present for this meeting. Attorney Bowers discussed the Resolutions that had been presented to him by Mayor Humphrey. Several of the attorneys present voiced their opinion that they did not see a need for an Archive Department at this time, however Mayor Humphrey spoke that this would be a great opportunity for tourism in Carter County.

Due to the fact that a quorum was not present no action could be taken by the committee on these resolutions.
